Haryana, India

PROFILE SUMMARY

Computer Science Engineering student with a strong interest in Web Development, AI, and Software Development. Passionate about building real-world projects and continuously improving problem-solving skills through hands-on learning, internships, and technical activities.

EDUCATION

Manav Rachna University

B.Tech in Computer Science Engineering (AI & ML)

Semester: 3rd

Expected Graduation: 2029

CGPA: 8.4/10

TECHNICAL SKILLS

- **Languages:** C, Python
 - **Web Development:** HTML, CSS, JavaScript
 - **Tools:** VS Code, GitHub
 - **Core Areas:** Data Structures (Learning), Problem Solving
-

PROJECTS

Personal Portfolio Website

HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website to showcase academic profile, skills, and projects.

SpendSmart – Personal Expense Tracker (Ongoing)

HTML, CSS, JavaScript

- Developing a personal expense tracking web application to manage income and expenses.
- Implementing Local Storage and responsive UI for efficient expense tracking.

Amazon E-Commerce Website (Ongoing)

HTML, CSS, JavaScript

- Developing an Amazon-inspired e-commerce website with dynamic shopping cart and checkout functionality.
- Implemented cart management using Local Storage for persistent data storage.
- Built features such as product listing, delete functionality, and dynamic delivery option selection.
- Applied JavaScript modules, DOM manipulation, Local Storage, and event handling to build interactive shopping cart and checkout features.

EXPERIENCE

Web Development Intern | InAmigos Foundation

June 2026 – July 2026

- Analyzed the organization's website and suggested improvements in design and functionality.
- Assisted in creating web-based solutions using modern development tools.
- Completed digital tasks involving website analysis, AI-assisted content generation, and documentation.

- Strengthened teamwork, problem-solving, and project execution skills during the internship.
-

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- **IEEE Student Member** – Actively involved in organizing and participating in technical events and student activities.
 - **Event Organizer** – Coordinated quiz-based technical events under IEEE, including *NavShakti Quiz Series*.
 - **Volunteer** – Contributed to the successful execution of CyCog Technical Event by assisting in event management and coordination.
 - **Participant** – Participated in Xtreme 19.0, gaining exposure to technical challenges and collaborative problem-solving.
-

CERTIFICATIONS

- **Internship Completion Certificate** – InAmigos Foundation, 2026
- **GenAI Powered Data Analytics Job Simulation** – Tata Group (Forage), 2026
- **Data Structures and Algorithms using Python** – Infosys Springboard (2026)
